Dear Parishioners,

Back in fall of 2024, it came to our attention, that other churches in Secretary and East New Market, were approached by a family who said that they were hungry and needed food. When offered food by one church, the family said they only wanted money.

Subsequently, since these events we have had two officers from the Dorchester Sheriff's office lecture to us on how to be safe in certain situations. Their recommendations were to lock the church during Mass.

Parish council feels that the whole congregation should weigh in on this decision.

Please respond and let us know how you feel on this topic.

Yes, we should lock the church

No, we should not lock the church
